

Dear Alumni and Friends,

The Clemson Rugby Foundation and the Clemson University Men's Rugby Football Club would like to invite you to the annual Homecoming celebration the weekend of October 31st. The festivities begin on Friday, October 30th with an 8 p.m. kickoff between the Clemson Old Boys (COB) and the Greenville Rugby Old Guys (GROG). GROG is celebrating their 40th year and has challenged the COB to a match under the lights. All COB interested in playing should RSVP with Shawn Hanna at shawnhanna75@hotmail.com or 864-650-3583 by October 1st. We will be having a social afterwards to watch the CURFC host Coastal Carolina at 9:30pm.

Saturday we will be hosting a tailgate prior to and following the Clemson Tiger football team playing Coastal Carolina in Death Valley. Time of kickoff has yet to be determined. Sunday at noon will be the traditional Alumni vs CURCF game. No RSVP is needed, just show up and play. Afterwards we will be having a cookout/BBQ nearby. This is a great opportunity to catch up with old friends, teammates, meet the coaching staff and current team members.

The Clemson Rugby Foundation will be hosting this Homecoming 2009. The Clemson Rugby Foundation (CRF) was founded in 2007 by dedicated alumni of the Clemson University Rugby Football Club. The Foundation's vision is to ensure the continued positive impact the sport of rugby has on students at Clemson University. It looks to guide and assist the student members of the Clemson University Rugby Football Club in any endeavors or goals the team and the Clemson Rugby Foundation choose to pursue. All endeavors must be constructive and contribute to the positive image of the sport of rugby or to the CURFC's status as a student organization at Clemson University.
